

The Lunch Box Ordering Instructions

1. Lunch orders must be placed by **8pm** the night before you would like lunch.
2. Scan the Venmo QR code below (there is also a copy of this on the menu):

Chris Rhyne
@TheLunchbox16

Scan QR Code for payment

3. To order your lunch:
 - a. Enter the date the lunch is for
 - b. Student name
 - c. Student grade
 - d. Put students lunch - "Lunch A" or "Lunch B"
 - e. List items student would like to order from the Lunchbox menu
4. Using the pricing on the menu, you will total up what is owed and Venmo the amount due with all the information above.
5. The student lunches will be placed on tables outside along the wall of the gym by the senior lawn and the Lunch Box ordering windows. These tables will be labeled with A-L on one side and M-Z on the other to limit the number of students in each area for pick up. When the student exits the classroom for lunch, they will go to the table with the letter of their last name and look for the lunch with their name & grade on it.
6. Students must only touch their lunch items. Items will be placed so that students won't need to come into contact with other student lunches.
7. If you have any questions about lunches, please email Chris at thelunchbox16@yahoo.com
