2024-2025 Parent-Student Directory Information Form and Parent Pledge

Dear Parents/Guardians,

In an effort to maintain the avenues of communication between you and other parents, as well as between our students, we will be making available a Parent-Student Directory. We anticipate the directory being available and emailed to you by the end of September, 2023. **If this form is not returned, your family will be included in the directory.**

The directory will list the name(s), grade level(s), address, home phone, email, and parent(s) name -- information already provided with your registration materials.

- Thank you. Please **include** my name, address, home phone, and email in the directory.
- Please exclude my address from publication in the directory.
- Please exclude my home phone number from publication in the directory.
- Please exclude parent name(s) from publication in the directory.
- Please exclude email(s) from publication in the directory.

2024-2025 PARENT PLEDGE

To discourage alcohol, drug, and tobacco use by teens, SJHS is asking parents to sign the pledge below, after sincere consideration and in good conscience. The St. Joseph parents who have signed the pledge will be marked on the Parent-Student Directory. You may wish to consult the directory when approving your teen's social schedule.

In addition to providing you with a list of "safe" houses, the Parent Pledge List will also send a message to our youth that the adults in our community do not approve of teen alcohol, drug, and tobacco use and will not make it easy for teens to use these dangerous substances. The Parent Pledge is about teen substance use in home social situations and is not meant to target legal adult alcohol or tobacco use in your home.

ST. JOSEPH HIGH SCHOOL PARENT PLEDGE—

- Yes, I take the responsibility to ensure that all social events in my home will be properly chaperoned so as to prevent the use of alcohol, drugs, and tobacco by minors.
- No, I do not wish to sign the pledge at this time.

I will also provide information to parents or guardians about social functions I host involving their kids.
